

LUIS ÁLVAREZ GAUMÉ

Profesor

CERN

Prof. Álvarez Gaumé has participated in the frame of the project HEPHACOS in the development of the investigation in models of cosmological inflation together with the prof C. Gómez of the IFT and the prof R. Jiménez of the ICREA. The results of this investigation have given place to the following publication:

[A Minimal Inflation Scenario.](#)

[Luis Alvarez-Gaume](#) , [Cesar Gomez](#) , [Raul Jimenez](#) . Jan 2011.
